What Is Show Team?

Show Team is the signature performance group of The Pulse CPC that dances around the greater Kansas City area. Enrollment is limited, by audition only, and for ages 6-17. The group is divided into three levels, and was created to provide dancers more opportunities to perform around our community! Show Team dancers have a desire to improve their dance technique and have a love for performing and entertaining an audience. **Prior Show Team performances have included the Royals Fan Fest, sporting events for UMKC and Comets, Starlight Theater, the Brookside St. Patrick's Day Parade, and Christmas at Union Station.**

Weekly Schedule

Show Team dancers are welcome and encouraged to take additional technique classes (Tap, Hip Hop, additional Ballet, etc) over what they take as a member of Show Team – these are just the required classes for the program.
