What Is Show Team?

Show Team is the signature performance group of The Pulse CPC that dances around the greater Kansas City area. Enrollment is limited, and for ages 7-17. The team was created to provide dancers more opportunities to perform around our community! Show Team dancers have a desire to improve their dance technique and have a love for performing and entertaining an audience. **Prior Show Team performances have included the Royals Fan Fest, sporting events for UMKC and Comets, Starlight Theater, the Brookside St. Patrick's Day Parade, National Dance Week Celebration and Christmas at Union Station.**
